

Synod-wide Youth Road Trip!

Who: Youth in 8th – 12th grades

What: We live in an awesomely diverse and beautiful state, but it can often feel pretty spread out and it's hard to be in the same place at the same time. Amazing Grace youth will join youth from all over the state to explore ELCA congregations, hear their stories, and work alongside their ministries while having a lot of fun in fellowship with one another! We will reflect on God's beautiful creation and communion with one another each day through devotions.

Where: Anchorage -> Trapper Creek -> Fairbanks -> Valdez -> Anchorage

When: June 24th, 2019 – July 2nd, 2019

Cost: \$150 per youth due by June 15. Some congregations may offer fundraisers or other assistance, or may have earlier deposit requirements.

Notes:

Register soon! You or your congregation must notify organizers of your intent to participate by March 1. Specific details on transportation and housing will depend on the size of the group, so the complete itinerary will be available after the registrations are received. We plan to sleep over at the churches and community centers we are visiting, and to use transportation designed for larger groups like van or bus rental.

This event is being organized by ELCA Alaska pastors and youth directors who meet monthly to plan shared youth group opportunities.
