TOGETHER EMPHASIZING ALASKA'S MISSION

When T.E.A.M. began in 1997, we had little idea how the Spirit would take this ministry forward. New mission sites, capital projects, new ministry projects and outreach to our neighbors tell us that the Spirit is working. God bless us as we work together.

You can **JOIN T.E.A.M.** in four ways:

- Encourage your congregation to develop an outreach project, and let T.E.A.M. be a partner. Grant requests can be found at www.elcaalaska.net.
- Make a personal contribution to T.E.A.M. Include bottom portion with your donation and place in the offering plate.
(Donations can also be mailed directly to the Synod Office.)
- Advocate for T.E.A.M. to be part of your congregation's mission and benevolence plan. The T.E.A.M. Sunday "Second Offering" was approved at the 2007 Synod Assembly.
- Pray for God's Mission and the Spirit's workings in Alaska.
